

**SASKATCHEWAN MINING ASSOCIATION
2009 TEACHERS TOUR
Date: JULY 18th – 23rd, 2009**

PROFESSIONAL DEVELOPMENT OPPORTUNITY

The Saskatchewan Mining Association offers educators a professional development opportunity of a lifetime through their Annual Teachers Tour. Twenty-four educators from across the province will be invited to tour mining operations (including potash, uranium and coal) throughout the province to learn about the Saskatchewan mining industry. Relevant curriculum teaching resources are provided to participants.

In the words of a past participant:

This was by far the most enjoyable, most educational and most rewarding professional development activity I have ever been a part of. Each day turned out to be more and more fulfilling. Many thanks to the SMA. What a great opportunity!

Educators interested in this professional development opportunity, are asked to send a letter indicating your interest, teaching background (# of years of experience; grade level) and personal and school contact information (telephone, fax, email) to:

Saskatchewan Mining Association
1500 Avord Tower, 2002 Victoria Avenue
Regina SK S4P 0R7
Email: saskmining@sasktel.net

Deadline date: May 11th, 2009. Participant selection will be made by the end of May, 2009. Due to the high level of interest, only educators who have not participated in the tour are eligible for consideration.
